

Transfer of Credit Policies

Transfer Credit Policy - Georgia

Health and Style Institute may transfer completed course work from accredited institutions that are recognized by the Georgia State Board of Cosmetology. Students that transfer from one cosmetic art discipline to different cosmetic art discipline will not receive credit for hours received in the initial curriculum. Only clock hours which were completed with a passing grade may be accepted. Determinations of satisfactory academic progress will be made based on actual contracted hours at the institution. If accepted, the clock hours will be counted as attempted and completed for purposes of satisfactory academic progress. The student must provide a sealed official transcript from each institution that credit transfer is sought. Any student attempting to transfer credit may be asked to repeat core or pass the standard core test or take additional assessment(s) as required. The core test consists of a written exam and practical exam. Students may be required to demonstrate proficiency in all tested areas to test out of core.

Students may not be granted credit for all hours received from previous training. Evaluations are by appointment only and are scheduled with Health and Style Institute.

All students MUST complete at least 1,000 clock hours of their Cosmetology, 1300 clock hours of their Salon and Spa Leadership and 700 clock hours of their Skin Care Therapy training at the Health and Style Institute in order to receive a graduation certificate. Transfer credit is not accepted in the Nail Care, Teacher Training or Makeup Artistry programs.

Students who wish to transfer credit for cosmetology instruction from another state must meet the specific guidelines outlined by the Georgia State Board of Cosmetology.

Health and Style Institute will notify the Department of Veterans Affairs in writing of awarded transfer credit and any corresponding reduction in training time for students enrolled in and receiving benefits for a program authorized by the Department of Veterans Affairs.
